

What IS ClearCATS?

ClearCATS is a database that allows NUCATS to track and maintain information for investigators who receive NUCATS Institute services.

Why do I have to use ClearCATS?

NUCATS helps investigators--in turn, we need your help. Following the 4 easy steps below helps us keep track of our progress throughout the year.

4 Easy Steps for Investigators

First, log in to <http://clearcats.nubic.northwestern.edu> using your NetID and password.

If you have forgotten your NetID/password,

visit <http://www.it.northwestern.edu/netid/resetguidelines.html>

- 1 Make sure your profile is up-to-date. Fill in all missing information and correct anything that's wrong. If you are a KL2 or TL1 scholar, trainee or applicant funded by the NUCATS Institute, fill out the Scholar/Trainee section.
- 2 Check "Benefited from NUCATS" for any awards that benefited* in some way from the NUCATS Institute
- 3 Check "Benefited from NUCATS" for any publications that benefited* in some way from the NUCATS Institute
- 4 Check "Benefited from NUCATS" for any regulatory or intellectual property approvals that benefited* in some way from the NUCATS Institute. Add any additional NUCATS-assisted approvals if they do not appear here.

Click "Submit" and you're done!

***Please use a broad definition of "benefit". Benefit might mean that the award, publication or approval benefited from knowledge you gained through a seminar or course, a community or team science relationship connection, a pilot award, assistance with budget or regulatory work, bioinformatics support, etc.**
